Hey Brianna:

I've reviewed and agree with all your, Amanda's and Hodayah's proposed changes (and comments) – and have not additional comments of my own. I'm not planning on raising this higher – but let me know if you feel the need for full political-level clearance.

Thx,

H

Hi all,

OITA has marked up versions of the proposed chair summery and proposed commitments that we received early this week. We are still reviewing internally but we wanted to get your feedback before we send back to HHS. Please take a look and get back to us with any comments/edits by noon on Monday.

Thanks,

Brianna Besch
